Great Getaway Missionary

Theme: "His Workmanship"

Ephesians 2:10

June 23 - 28, 2024

Conference Center
Grass Lake, MI

GGMs generally serve as "Getaway Guides" to our campers with a disability, accompanying them on adventures throughout the day and joining the family for meals.

Each attendee with a disability is prayerfully matched with a GGM for the week. You will help care for your family's unique needs while allowing parents/care providers and siblings an opportunity to enjoy activities designed just for them.

You'll receive on-site training so there's no need to worry about a lack of experience!

GGMs are also needed for support roles, such as:

- nurses
- behavioral specialists
- hairstylists for our salon
- nail techs for our salon
- massage therapists
- waterfront assistants
- etc.

During this ministry week, you'll be the hands and feet of Jesus to weary families. This will be the most exhausting, blessed week of your life as you lift the burden of caregivers by offering them a much-needed break for rest, relaxation, and rejuvenation. Imagine seeing faces brighten as they experience the love of Christ in this beautiful, serene setting.

Our goal is to enable our families to experience the love of Christ through a fun-filled week of activities, friendships, and encouraging messages. We can not do this without your assistance.

You will build a lifetime of memories!

2023 GGM Highlights

"Getting to see the families be surrounded by the love of Christ and rest in that love."

"God has shown me miracles happen all the time."

"Seeing God at work."

"Watching God work in a way I anticipated and even more treasured, in ways I never expected. Hearts of gold!"

"I need to remember that God will provide what I need and leave my fears behind."

*"Are you weary, carrying a heavy burden? Come to Me, I will refresh your life, for I am your oasis."
Matthew 11:28*

If you love God and love others, and want to put that love to tangible use, then the *Hurdling Handicaps Great Getaway* is the place for you!

The Great Getaway Schedule

In the mornings:

GGMs accompany children and youthful adults to either a VBS or youth-group style program.

In the afternoons:

GGMs join families in activities such as boating, swimming, games, and crafts.

In the evenings:

GGMs will be an active part of the exciting events, including a camp dance and the popular, heart-warming HHGG Talent Show.
